Questions About Us Chart, Spanish

visible to the whole class, print and cut out enough 5-frames so that there is a square for each student in the class. For example, if there are marker to write the two choices and record students' responses. If available, these images can also be enlarged. 23 students in the class, cut out four 5-frames and 3 squares out of a fifth 5-frame. Consider laminating the display and using a dry erase These images are examples of what to display for the Questions About Us warm-ups in Section B. In order to create a display that will be

perros	gatos
